# Welcome to Eenie's World! ♥

We are delighted to share this wonderful collection of poems, rhymes and songs for babies, children and families to enjoy together. ♥

You can sing along with the Eenie's World YouTube channel or create your own music and melodies.

The choice is yours! 🎵

Each song has been lovingly written to encourage kindness, happiness, creativity and a love of nature. ♥

We are especially excited to introduce **Eenie Baby**, who presents the lyrics throughout this book. As he is still very young, he has not yet discovered his beautiful colours—but they will appear as he grows, just as every child blossoms in their own unique way. ♥

For now, Eenie Baby simply says...

"Hello, my friends!" ♥  
Come and sing with me.  
Let's laugh, learn and enjoy  
the wonderful world  
around us—one song  
at a time!" ♥

We hope these songs  
fill your days with  
**smiles, music,**  
**friendship and happiness.**

Welcome to  
**Eenie's World!**

Sunny days, Sunny days are here to stay  
Sunny days bring Lovely rays and many more hurrahs

Sunny day, Sunny days are here today  
Sunny days, Sunny days are here to stay  
Sunny days bring Lovely rays and many more hurrahs

Sunny day, Sunny days are here today  
Sunny days, Sunny days are here to stay  
Enjoy a happy holiday, life should be a game to play

Sunny day, Sunny days are here today  
Sunny days, Sunny days are here to stay  
Enjoy a happy holiday, life should be a game to play

# Seasons

Let's enjoy the **Sun**  
Let's have super fun  
Let's play in the park  
All day until dark

Let's enjoy the **rain**  
Let's see joy not pain  
Washing over us  
Without any fuss

Let's enjoy the **wind**  
As dirt is cleared not binned  
Let's listen to the sound  
And dance in a round!

Let's check out the **snow**  
With its beautiful glow  
We can play and sing  
And our gratitude bring!

**Love for seasons everywhere**  
Warm, cold, wet and dry  
Their special work is rare  
For us they are so high!

# Energy

High low, low high  
Why not watch the sky?  
Low high, high low  
Find a friend not a foe

High low, low high  
Energy is not to buy  
Low high, high low  
Seeds of joy to sow

High low, low high  
Let's laugh not cry  
Low high, high low  
Thinking yes not no

# Sky

Eenie looks up high, To the sky sky  
Eenie looks up high, To the sky sky  
No place to cry, High in the sky

Eenie looks up high, To the sky sky  
Eenie looks up high, To the sky sky  
Shall we and go fly, High in the sky

Eenie looks up high, To the sky sky  
Eenie looks up high, To the sky sky  
No things to buy, High in the sky

Eenie looks up high, To the sky sky  
Eenie looks up high, To the sky sky  
On a cloud we lie, High in the sky

Hurray for the sky, We laugh do not sigh  
Happy songs we try, High in the sky  
Eenie looks up high, To the sky sky  
No place to cry, High in the sky

# Imagining

Are you ready?  
Are you steady?  
Can you see a rainbow?  
Imagining colours in a row!

Are you ready?  
Are you steady?  
Can you pause breathing in  
Imagining quiet in the din!

Are you ready?  
Are you steady?  
Can melody bring smiles?  
Imagining musical miles!

# Let's Walk

Let's take a walk  
without the need for talk  
across the plains and hills  
the mountains in the rain

let's take a ride  
with loved one's by our side  
we have no need to hide  
let's take a ride

let's enjoy the world  
and its amazing beauty  
feeling rooty tooty  
lets enjoy the world

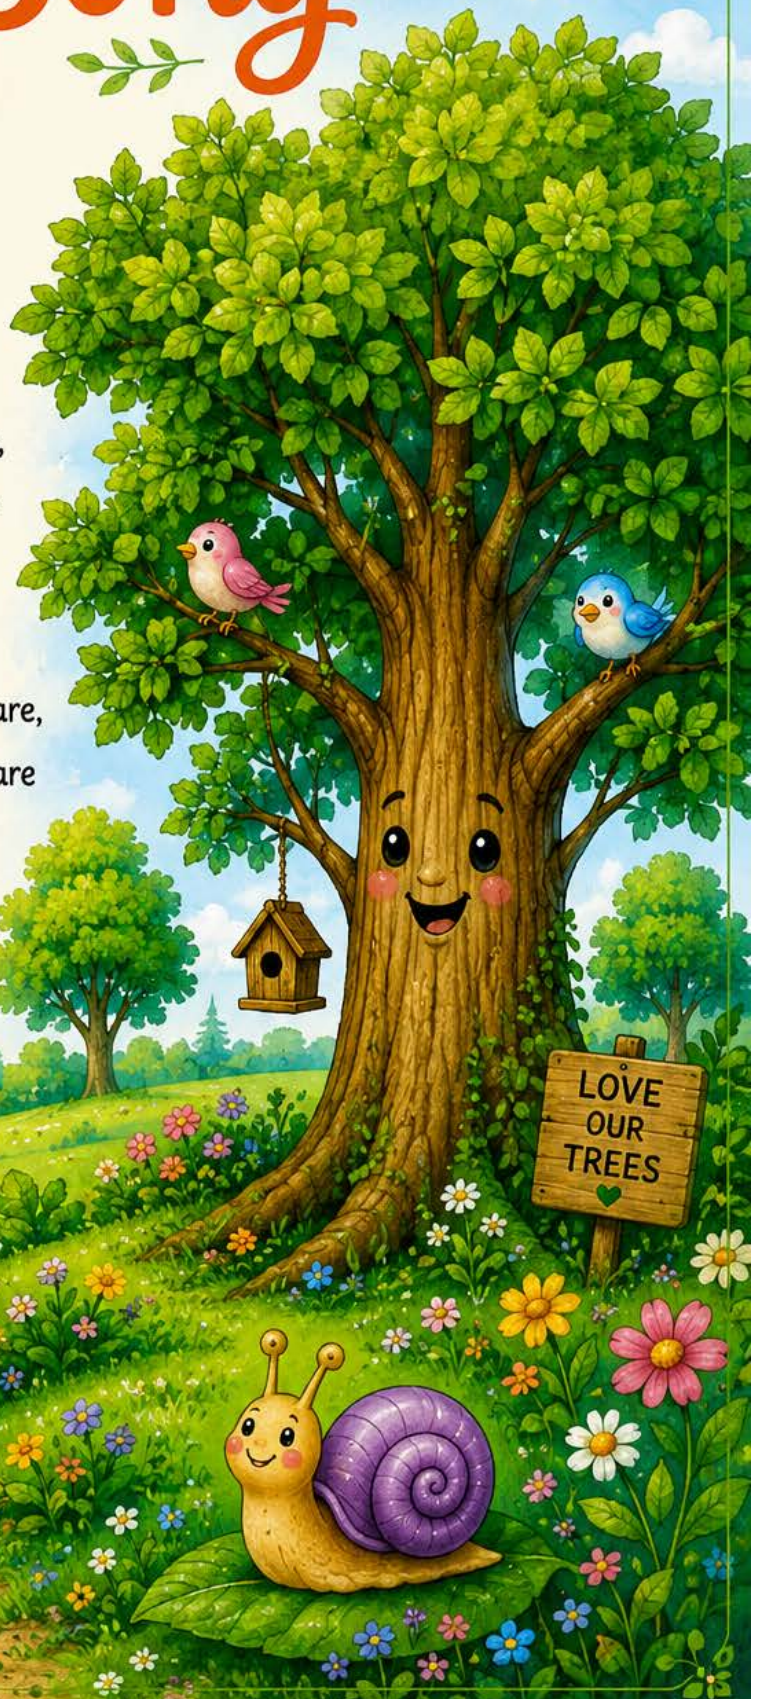

# Trees Song

Trees, trees, trees so kind to us all,  
Trees, trees, trees so kind to us all  
Trees, trees, trees  
Trees, trees, trees giving lovely shade  
Trees, trees, trees never should we trade,  
Trees, trees, trees never should we trade

Trees, trees, trees sending oxygen to share,  
Trees, trees, trees sending oxygen to share  
Trees, trees, trees always being fair,  
Trees, trees, trees always being fair

Let's go out and play,  
Each and every day  
Let us always say,  
Trees are here to stay

The background of the page is a soft, textured cream color. It is decorated with numerous autumn leaves in shades of yellow, orange, and brown, some of which are falling from the top. In the bottom left corner, there is a large, detailed illustration of a red mushroom with white spots, surrounded by green grass and fallen leaves. In the bottom right corner, a cute, cartoonish snail with a brown shell and a smiling face is walking along a path made of fallen leaves. The title 'Leaves' is written in a large, elegant, dark green cursive font, centered at the top. Below the title is a small decorative flourish consisting of a green heart flanked by two curved lines.
