Have you seen

Water in the tap

Have you seen
Water in the bowl
That's Eenie's roll!

Have you been
Have you seen
Water in the wood
That's Eenie's food!

Have you been
Have you seen
Water in the sky
That's Eenie's high!

Time

Don't let a day go by, to sit and sigh
Don't let a day go by no need to cry

Don't let an hour go by, without a hi hi
Don't let an hour go by, let's always try

Don't let a moment go by, always
look up to the sky
Don't let a moment go by,
high time is nigh

Snails Slow Time

We snail love, slow time, yes we do we do

We snail love, slow time, yes we do we do

It can give us time for rhyme, so we can sing along to

We snails love slow time, yes we do we do

Eenie sets a gentle pace, not for us a running race

We snail love, slow time, yes we do we do

We snail love, slow time, yes we do we do

Count down from number three, to complete this family

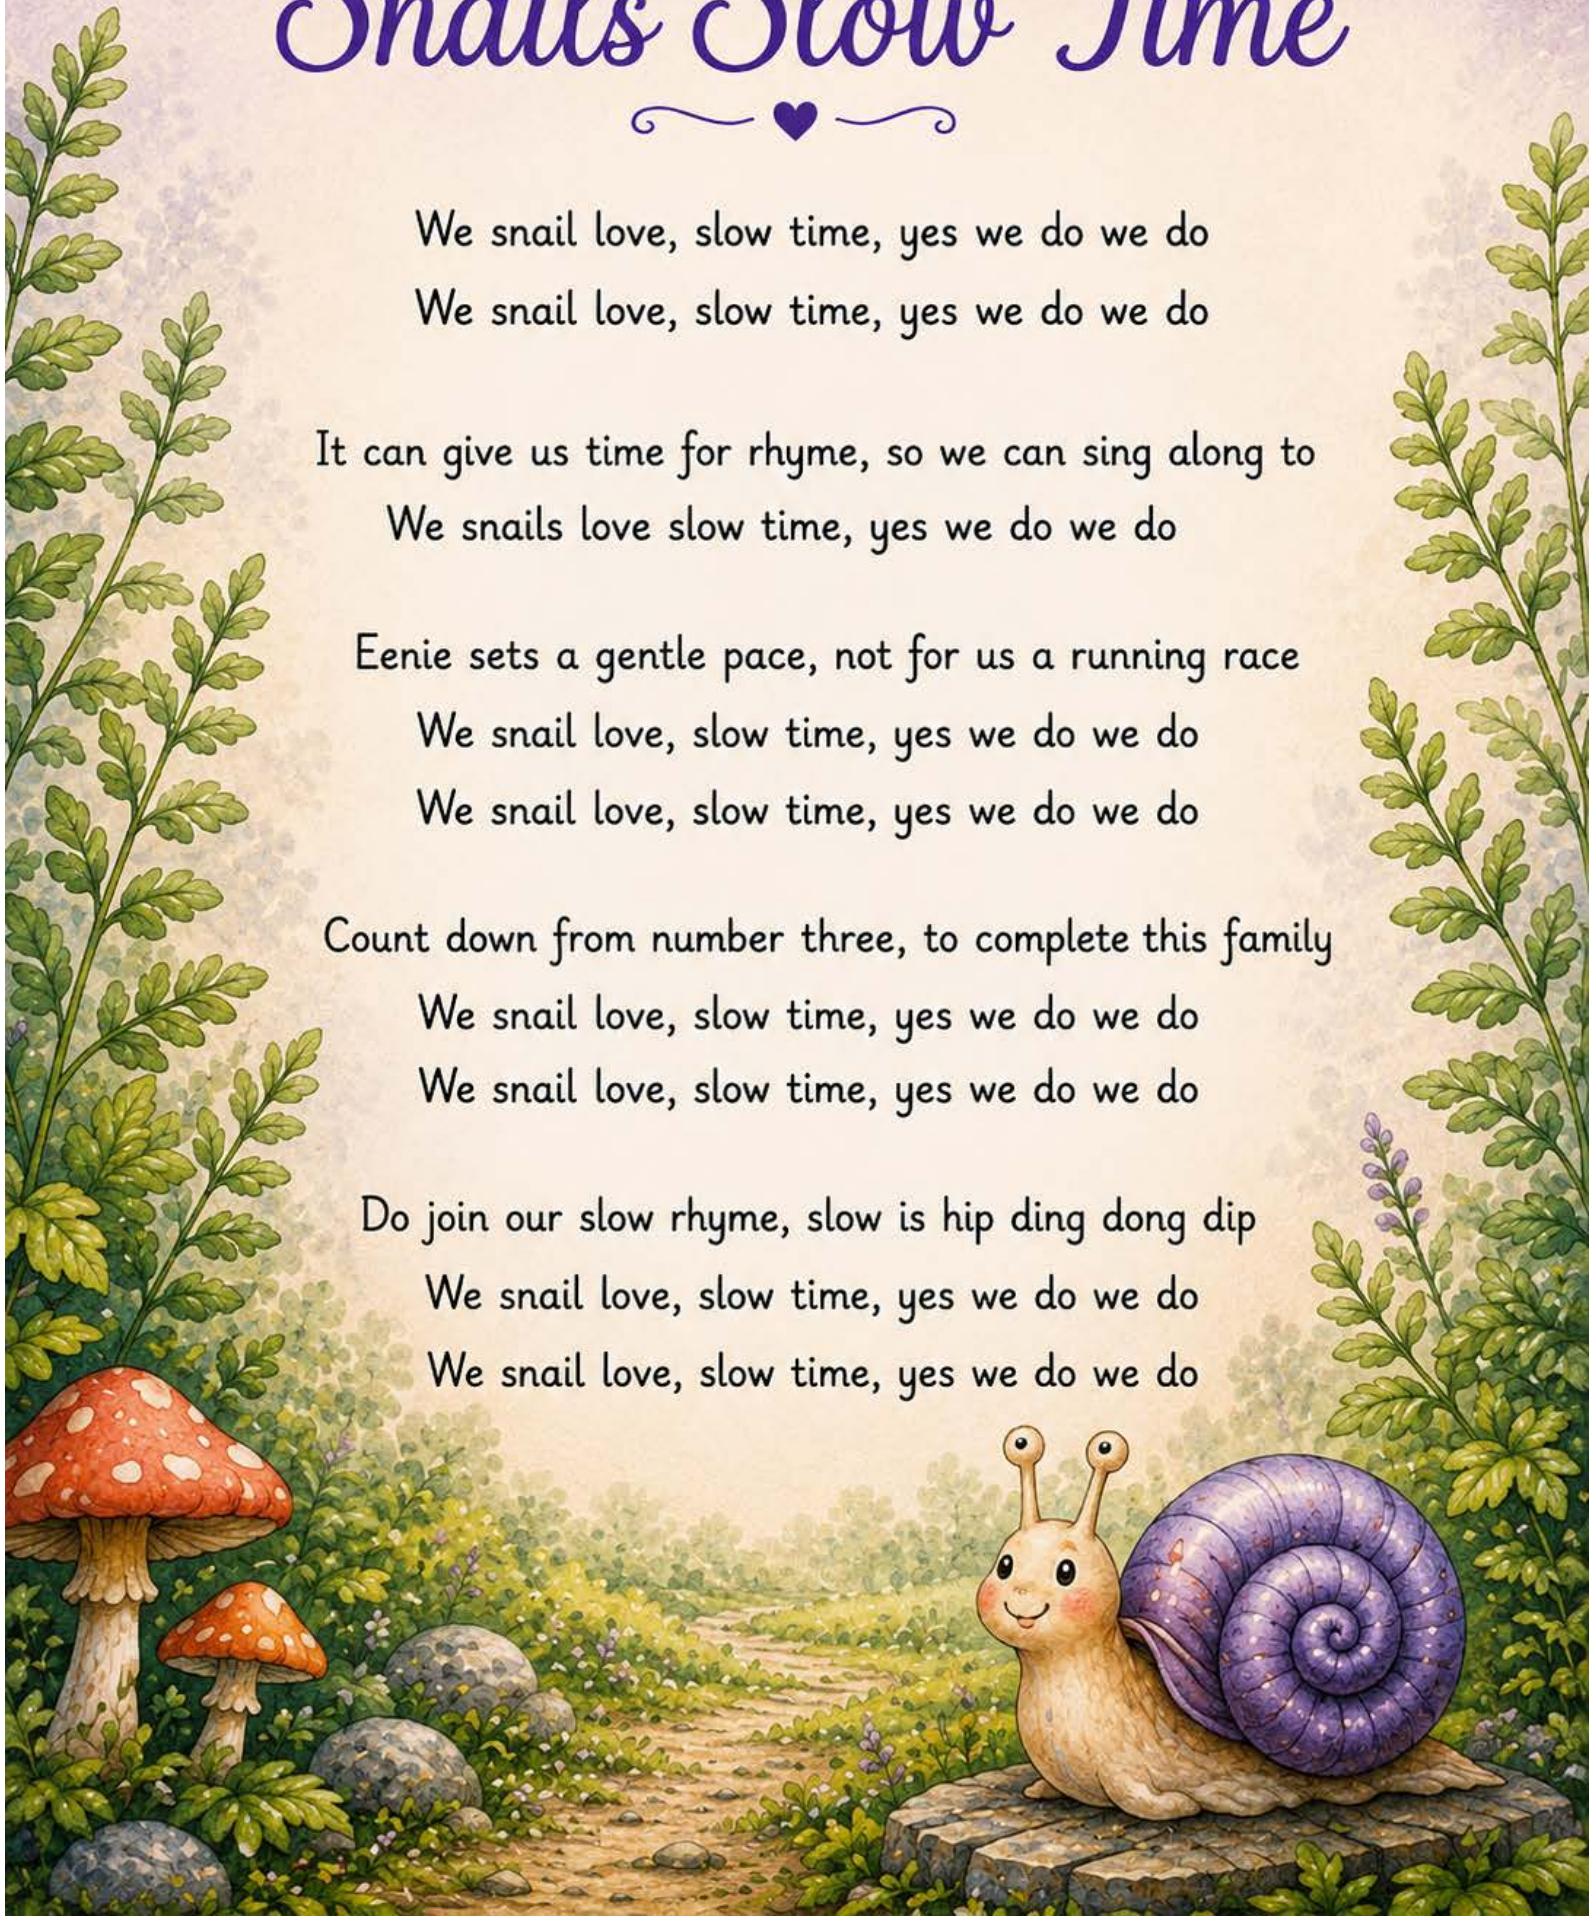

We snail love, slow time, yes we do we do

We snail love, slow time, yes we do we do

Do join our slow rhyme, slow is hip ding dong dip

We snail love, slow time, yes we do we do

We snail love, slow time, yes we do we do

Eenie, Meenie, Beanie, Bo

Eenie, Meenie, Beanie, Bo
 Eenie, Meenie, Beanie, Bo
 May my day be smooth, you know... So
 I can make time to enjoy a rhyme
 And a joyous walk or a row
 Eenie, Meenie, Beanie, Bo
 Let my Horrid temper go
 May I smile just for a while
 May i start with with "ho, ho, ho!"
 Eenie, Meenie, Beanie, Bo
 Let my exercise make me grow

Eenie, Meenie, Beanie, Bo
 May I run and enjoy the fun
 So I do not end up slow
 Eenie, Meenie, Beanie, Bo
 May my food give me a glow
 So I eat that special treat
 And move my spirit to high from low
 Eenie, Meenie, Beanie, Bo
 Give me a friend and not a foe
 Hand in hand along the land
 Rather than a fist to show

Eenie, Meenie, Beanie, Bo
 Let all aches or pains just go
 May I begin to simply bin
 Any worries, fears or woe
 Eenie, Meenie, Beanie, Bo
 Let me be kind and thoughtful ful
 each day...so I can start to
 be calm -yet smart-
 And like a blooming flower grow
 Eenie, Meenie, Beanie, Bo
 Let's eat healthy and to sweets say "no"

Eenie, Meenie, Beanie, Bo
 Enjoy vegetables, salads and fruits
 So we can flourish from our roots
 Eenie, Meenie, Beanie, Bo
 Smiles and laughter I should show
 To be happy in times of low
 And end my tears for all to know
 Eenie, Meenie, Beanie, Bo
 Let any crossness from me go
 And a laugh, a skip and happy yes
 Be offered, instead of a nasty "no"

Eenie, Meenie, Beanie, Bo
 May all my senses help me grow
 To greet the day along the way
 And enable the joy in me to flow
 Eenie, Meenie, Beanie, Bo
 My tummy ache hasta go
 And its in place a special place
 With love and peace to fill and grow
 Eenie, Meenie, Beanie, Bo
 What a life I have to sow
 Taking part in ups and downs
 Wearing smiles and not frowns

Eenie, Meenie, Beanie, Bo

Eenie, Meenie, Beanie, Bo
On the waters of life I row
And on the fires of anger and pain
May my gentle spirit glow
Eenie, Meenie, Beanie, Bo
No one can make me cry I know
I can laugh and smile and play
Whatever they do, whatever they say
Eenie, Meenie, Beanie, Bo
I am so strong in the spirit flow
Let my shine with light divine
That all around can see the glow

Eenie, Meenie, Beanie, Bo
Whoever I met today I know
Will feel my strength of mind
So that together we can be kind
Eenie, Meenie, Beanie, Bo
Everyone loves to love and sow
The seeds of joy and happiness
However sad their face may show
Eenie, Meenie, Beanie, Bo
I can be an example for all
I can appear –and be – tall
In nothing I feel small

Eenie, Meenie, Beanie, Bo
I am a spirit for the animals to know
With their energy and love as
friends as pets
We can have no more karmic debts
Eenie, Meenie, Beanie, Bo
This is the day for me to show
Myself, my family and all I meet
That is true I am pure sweet

Eenie, Meenie, Beanie, Bo
There is no fear in my I know
I am Clever, Kind, Strong and Brave
This is the thought I will always say
Eenie, Meenie, Beanie, Bo
No frown or glare will make me care
I am the one with love to show

Eenie, Meenie, Beanie, Bo
All in and around me is joy
People, plants, animals – all –
We are special, girl or boy
Eenie, Meenie, Beanie, Bo
Life is pure happiness
No need to glum or sad
No time to be down or feel bad
